

# HEC - DC

## HARDENED CONNECTOR PLATFORM

MPO | LC Duplex | SC Simplex

### - FEATURES -

#### ROBUST & RELIABLE

- Compliant to GR-3120, GR-3152, and IEC 61753-1 OP+ Cat A/G/S
- Proven SM MT Elite® ferrule performance
- IP-68 rated
- Up to 450N pulling force
- UV and weather-resistant materials

#### DIRECTCONEC™ BOOT

- Push-n-click insertion enables simple and secure installation
- Twist-to-release extraction using only the boot, allowing easy, one-handed removal, even with gloves

#### EASY TO USE

- Small 19mm diameter housing paired with push-pull boot enables tight connector spacing
- Blind-mate features on housing prevent ferrule contamination and damage
